

# ACT ONE

## THEATRE WORKSHOPS

Being a part of a theatre program is such an exciting experience for youth! Even though we aren't meeting face to face just yet, these outstanding specialty workshops will help performers explore new areas of the theatre and/or improve skills in preparation for a grand re-entry to the stage. On top of that, we promise they'll be a lot of fun!

### THE DETAILS

Workshops are 3 - 4 weeks in length and meet two evenings per week for 1, 1.5 or 2 hours. Workshops begin the week of September 14. Registration fees range from \$95-\$115 (additional non-resident rates may vary). Registrations are accepted through The City of Farmington Hills and The City of Novi.
