**Oakland County Parks and Recreation Millage**

**Millage Replacement and Increase to Improve, Operate, and Maintain Parks, Open Space Areas, Trails, and Recreation Activities in Oakland County, Michigan**

The Oakland County Parks System includes 7000 acres and 80 miles of trails preserving and protecting the environment. There are 13 Oakland County Parks and recreational activities throughout the County including campgrounds, dog parks, golf courses, water parks, and mobile recreation units. To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced and increased to .35 mills for 10 years from 2020 to 2029? The .35 mills is equal to 35 cents per \$1,000.00 of taxable value. The millage, if approved and levied, will generate approximately \$22,026,860.00 in 2020. The purpose of the millage is to improve, operate, and maintain parks, open space and water areas, trails, and recreation facilities; to allow for free day-use park admission for seniors (62 and over), military, veterans, and residents with permanent disabilities; to expand trails; to enhance local recreation programs; and to increase environmental conservation and recreation activities. Revenue from this millage will be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission with external audits and oversight by the Oakland County Board of Commissioners.

This proposed constitutional amendment would:

- Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.

**Oakland County Parks and Recreation Millage**

**Millage Replacement and Increase to Improve, Operate, and Maintain Parks, Open Space Areas, Trails, and Recreation Activities in Oakland County, Michigan**

The Oakland County Parks System includes 7000 acres and 80 miles of trails preserving and protecting the environment. There are 13 Oakland County Parks and recreational activities throughout the County including campgrounds, dog parks, golf courses, water parks, and mobile recreation units.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced and increased to .35 mills for 10 years from 2020 to 2029? The .35 mills is equal to 35 cents per \$1,000.00 of taxable value. The millage, if approved and levied, will generate approximately \$22,026,860.00 in 2020. The purpose of the millage is to improve, operate, and maintain parks, open space and water areas, trails, and recreation facilities; to allow for free day-use park admission for seniors (62 and over), military, veterans, and residents with permanent disabilities; to expand trails; to enhance local recreation programs; and to increase environmental conservation and recreation activities. Revenue from this millage will be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission with external audits and oversight by the Oakland County Board of Commissioners.

This proposed constitutional amendment would:

- Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
- Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

**Oakland County Parks and Recreation Millage**

**Millage Replacement and Increase to Improve, Operate, and Maintain Parks, Open Space Areas, Trails, and Recreation Activities in Oakland County, Michigan**

The Oakland County Parks System includes 7000 acres and 80 miles of trails preserving and protecting the environment. There are 13 Oakland County Parks and recreational activities throughout the County including campgrounds, dog parks, golf courses, water parks, and mobile recreation units.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced and increased to .35 mills for 10 years from 2020 to 2029? The .35 mills is equal to 35 cents per \$1,000.00 of taxable value. The millage, if approved and levied, will generate approximately \$22,026,860.00 in 2020. The purpose of the millage is to improve, operate, and maintain parks, open space and water areas, trails, and recreation facilities; to allow for free day-use park admission for seniors (62 and over), military, veterans, and residents with permanent disabilities; to expand trails; to enhance local recreation programs; and to increase environmental conservation and recreation activities. Revenue from this millage will be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission with external audits and oversight by the Oakland County Board of Commissioners.

**Oakland County Parks and Recreation Millage**

**Millage Replacement and Increase to Improve, Operate, and Maintain Parks, Open Space Areas, Trails, and Recreation Activities in Oakland County, Michigan**

The Oakland County Parks System includes 7000 acres and 80 miles of trails preserving and protecting the environment. There are 13 Oakland County Parks and recreational activities throughout the County including campgrounds, dog parks, golf courses, water parks, and mobile recreation units.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced and increased to .35 mills for 10 years from 2020 to 2029? The .35 mills is equal to 35 cents per \$1,000.00 of taxable value. The millage, if approved and levied, will generate approximately \$22,026,860.00 in 2020. The purpose of the millage is to improve, operate, and maintain parks, open space and water areas, trails, and recreation facilities; to allow for free day-use park admission for seniors (62 and over), military, veterans, and residents with permanent disabilities; to expand trails; to enhance local recreation programs; and to increase environmental conservation and recreation activities. Revenue from this millage will be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission with external audits and oversight by the Oakland County Board of Commissioners.
