RULES AND REGULATIONS

1. The movement of vehicle and load upon said highway shall be during daylight hours only. Permits are not valid on Saturdays, Sundays, nor during the period beginning at 12 noon on the day preceding and continuing until 12 noon of the day following every legal holiday here listed: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas, except when emergency repair movements are necessary in the interest of public safety.
2. The movement shall not impede other traffic in an unreasonable manner and at no time shall other traffic be blocked from use of the highway. Vehicles and loads shall not be parked on the highway day or night.
3. Applicant shall be responsible for any damages caused to wires, mailboxes and trees on the highway, and shall reimburse the owners or persons in charge for any property damage caused by the moving of said vehicle or load, and shall save harmless and indemnify the City of Farmington Hills from all suits, claims, damages and proceedings of every kind arising out of the presence on and use of the highway by said vehicle and load.
4. The speed of the vehicle and load shall not exceed that shown on the permit.
5. Vehicles shall be registered as required by the Michigan statutes and will not violate any statute or valid ordinance, rule or regulation by any state agency or sub-division of the state. Vehicles are to comply with all statutory provisions as to other permits, licensing, motor vehicle equipment and operation.
6. Applicant is to furnish the department the following information: Type of equipment, make, model, unit number, serial number, and license number on each piece of equipment.
7. The driver of the vehicle shall carry a permit cab card in the vehicle to which it applies and shall have it available for inspection by any police officer or employee of the City of Farmington Hills of Michigan.
8. Applicant to present evidence that at least the following insurance coverage is in full force and effect on each vehicle while operating on the public highways under special permit:

Bodily injury liability – each person	\$250,000.00
Bodily injury liability – each accident	\$500,000.00
Property damage liability – each accident	\$ 50,000.00
Property damage liability – each accident	\$100,000.00
9. Permits are automatically invalidated by the violation of any of the conditions specified by the terms of the permit or by false information given on the application. Failure to comply with the conditions of this permit shall be just cause for the immediate suspension or revocation of any or all permits and the operator and/or owner of the vehicle subject to arrest.
10. Permits will not be issued for periods extending beyond the expiration date of vehicle registration or for loads in excess of licensed elected gross weight.
11. Permits will be issued only for vehicles owned and licensed by the applicant.
12. Permits will not be issued for oversize or overweight vehicles or loads which can be readily dismantled, reduced or otherwise rearranged to come within the legal limits.
13. Permits will in no way supersede posted axle loading limits on any bridge structure. The applicant agrees to reimburse the City of Farmington Hills for any damages resulting from the disregard of such posting.
14. Permit not valid on highways which are posted for lighter than normal loadings and vehicle exceeds axle loadings as posted, or when restricted loadings are in effect.
15. No extended permits will be issued unless it is clearly shown that it is an extreme hardship for the applicant to secure a permit for each move. Each case will be considered on its own merits.
16. The applicant may be required to deposit a reasonable inspection fee and to furnish a good and sufficient bond to cover any damages that might occur to roads, bridges, or highway structures, by the movement of vehicles and objects under the proposed permit.
17. The Equipment shall be loaded on the vehicle in such a manner to reduce to a minimum, the excess over statutory size or weight limitations and the least width or length dimensions becomes the width of the load.
18. The ball or bucket to be removed on cranes or draglines. Boom to be securely fastened to the frame of the truck while in transit.
19. The Board may temporarily suspend an Extended Transportation Permit, either in its entirety or to respect to certain of its provisions, due to seasonal or other special conditions.
20. The vehicle shall not be loaded or unloaded within the outer shoulder limits of any county road.
21. All moves shall be properly flagged with clean red flags having a dimension of no less than 16" square.
22. The license number shown on the cab card must correspond to the license number on the vehicle. All cab card permits will expire with the license shown thereon.
23. Permits are not transferable to another vehicle or another owner of the same vehicle.
