

# NATURE MAKERSPACE

FREE PROGRAM

Ages 6+

Jan 10  
Feb 14  
Mar 13  
2-3pm

Design, create and make using nature as inspiration to solve real-world challenges. Makerspace learning is driven by children's natural curiosity and desire to make things. The Nature Center is becoming a unique hub for young scientists and engineers to dream, plan, invent and test. What will they create? A great way to spend 1/2 day off school!
