Review and discuss committee draft report

Chairperson Strickfaden reviewed the draft report and draft presentation with the committee. The committee concurred member deWit would lead the presentation on the community garden section, member Richardson would lead the discussion on the solar panel section, member Quetell would lead the presentation on the ordinance and policy audit section. ACM Valentine would provide a brief intro and discuss current projects. Chairperson Strickfaden would lead the presentation and outline the conclusion section with next steps.

The committee discussed adding the complete list of ideas to the presentation and concluded it may take away from the actual recommendations could be included in the report as an alternative.

The committee will review the final draft report and presentation at their next meeting and conduct a run through of the presentation.
