Approval of Minutes – 5/21/25: Jessica moved to amend the 5/21/2025 minutes to add her absence. Farah brought a motion to approve the amended minutes. Victor seconded. The amended minutes from the May 2025 meeting were approved.

Approval of Agenda: Molly moved to approve the agenda. Victor supported the motion, and it was approved without opposition.

Debrief of Farmer's Market Day - May 31st - Jessica reported there was a positive reception to the bike ride promotion and the bike light handouts and coloring books. Farah recommends that we get more handouts from SEMCOG. There might be an opportunity next year in which a member can submit an order to SEMCOG from both Farmington and Farmington Hills resident. Teresa recommended that perhaps the commission can purchase additional resources from SEMCOG. Jessica suggested that next year we move the booth so we don't have lot #31 due to the slope of the hill the table was on.

Debrief of Bike Ride and Community Fair - June 12 - Molly had positive feedback about the participation by TrvFit and they led the Ride in a stretch. TrvFit also promoted Farmington businesses. Somewhere between 8-12 riders attended. The helmets were donated to the Farmington Hills Fire Department Charity. The Commission will confirm and announce the July, August and September dates.

ALICE Training for Commissioners - Farah is awaiting dates from the Officer for September/October training dates. Suggested September 27, October 11, or October 18 to have enough time to promote across the Farmington/Farmington Hills commissions.

Summer Public Service Announcements: Molly will email and forward the July and August announcements for distribution. Any proposals for subject matter can be suggested to Molly. Summer program alternate and new project discussed for awareness - Farmington Public School Back to School Picnic. The commission may consider getting involved for mental health awareness for children.

2025-2026 Commission Budget: July 1, 2025 starts the new fiscal year. 2024/2025 budget cannot be rolled over. 2024/2025 spent funds on helmets, commission shirts, coloring books, and pumpkins. Commission had remaining funds that have not yet been spent for 2024/2025 commission. Molly brought a motion to approve additional spending for materials for upcoming events; the motion is supported by Ikram and passes unopposed.

Summer Hiatus: Next Meeting September 17, 2025. Each commission takes the summer off. This means there will be no meetings in July and August. Molly told members they can still contact her if they want to work on something and that she would update them through the summer if needed.

LDS Clothing Drive - October 10 & 11 - Commission Sponsored Event - Ikram is serving as liaison to the LDS and the commission. 10,000 items of clothes are donated and circulated. Volunteer run; clothes delivered on October 7th. Volunteer slots for the commissioners will be proposed in the September meeting.

City Open House - 1st Weekend in October - firm date will be announced shortly by the city. We will have pumpkins to decorate for the children alongside the commission awareness promotions. The Commission can expect to attend.
