ABOUT THE PUBLIC ART PROGRAM

The Public Art Program was initiated in 2010 to enhance the newly renovated Farmington Hills City Hall. The program brings art into our daily lives and humanizes and invigorates City Hall by generating conversation, cultivating inspiration, and contributing insight.

The artwork is on loan to the City for the next two years, featuring work from 66 talented artists from Farmington Hills and 25 surrounding communities.

The City gratefully acknowledges the artists who have so generously loaned their work to further enhance the atmosphere of City Hall for visitors and employees.

The renovations give new life to the previously outdated City Hall making it a LEED® (Leadership in Energy and Environmental Design) Gold Certified state of the art, sustainable facility. City Hall is honored that regional prominent artists choose to display their work in our building.
