— Dear Taxpayer:

Please be advised that the Assessing Department staff will be conducting property inspections in your neighborhood between May 1, and July 31. Staff will arrive in a marked city vehicle, wearing clothing with the city logo and a picture I.D. badge for you to verify their authenticity.

This inspection is in compliance with the State Tax Commission guideline for a regular reappraisal, to ensure records are up to date and accurate. This will be an exterior inspection only, and staff will not need to enter your home. To ensure the correct interior features are recorded for your home, we ask that you complete the enclosed survey and return within two weeks of this letter. Please return the form via USPS, in-person or the email listed below.

Once the appraiser arrives at your property, they will knock on your door to let you know they are there. If this survey has not been returned prior to the site inspection, the appraiser will confirm the information at the door. If no one is available, we request that you call the number on the door tag to verify the information with the appraiser as soon as possible.

Please feel free to contact our office if you have any questions or concerns regarding this inspection. Our office can be reached by phone at 248-871-2470 or by email at assessingquestions@fhgov.com.

Kind regards,
