

Beautification Awards Nomination

The City of Farmington Hills Beautification Commission will be recognizing properties, in the categories listed below, who make a special effort to create and maintain welcoming, beautiful and sustainable landscapes. The Commission will only judge properties that have been nominated and you can nominate yourself.

Commissioners look for well-planned design, color, originality, and maintenance, with additional consideration for work done by non-professionals and environmental sensitivity. Businesses and organizations will be judged on public areas that visitors see when driving by or through (main entrance, front of building, parking lot) and residential entries will be judged on the main property entrance.

The judging takes place in JULY and award winners will be recognized at a celebration this fall. More information to follow.

NOMINATIONS ARE DUE BY JUNE 24, 2025.
