- 5. Public Comment –
  - No public in attendance.
- 6. New Business
  - State Drinking Water System Advisory Council (SDWAC) Update
    - SDWAC is working on sending another survey with revised questions to understand whether WSACs are making a difference and understand expectations. They are looking for local WSACs to present in the future. All local councils will be asked to present their process and best practices at some point in time.
    - The EGLE lead and copper unit is working on a best practices document with guidelines for local WSACs.
  - Farmington Hills Lead and Copper Compliance Sampling – 2025
    - Sampling is currently required every summer annually in Farmington Hills.
    - 30 samples are required in Farmington Hills (31 were samples were submitted). The lead results ranged from non-detect to 7.3 ppb. The copper results were 5.9 to 78 ppb. Results were well below the EPA limits for lead (12.0 ppb) and copper (1300 ppb).
    - WRC submitted the Lead and Copper Report to EGLE for certification.
  - Farmington Hills Public Education and Awareness
    - Tammy provided information about the FH City Wide Open House on October 4<sup>th</sup>.
      1. Tammy and Kate planned and managed the booth again this year.
      2. Items passed out this year were color changing cups, Capt. Splash sticker and tattoos (with a QR code to the WRC water quality webpage), aerator gripper, and postcards with a QR code that directs to the WRC water quality webpage.
      3. Ideas for next year:
        - a. It was noted that the bags from last year were definitely a bigger draw.
        - b. Reusable curly straws with Capt. Splash.
        - c. Color changing spoon.
        - d. Sno-cone machine.
    - Public Education and Awareness

1. The plan is to share information for adults by attending a Council of Homeowner Associations (COHA) meeting to share water quality documents and do a Q&A session.
2. Participate in a summer STEM program to reach older kids.

7. Terms of Officers

- Reappointments and terms
