CITY OF FARMINGTON HILLS  
GUIDELINES FOR POVERTY/HARDSHIP  
EXEMPTION REVIEW  
TAX YEAR 2026

**I. General Overview**

The Board of Review of the City of Farmington Hills recognizes the need to have available a procedure by which residents in need of assistance under MCL 211.7u can make an application for property tax relief. The Board further recognizes that pursuant to statute and case law, they must adopt procedures and guidelines, approved by City Council, to be used as standards when considering appeals made based on financial hardship. The Board of Review understands that these guidelines must be adhered to when reviewing poverty/hardship appeals. The Board of Review **may reject any form submitted that is inaccurate or not fully completed** by the time of the Board's consideration. All information in the form is subject to verification by the Board of Review or Assessors Office.

**II. Basic Filing Requirements**

To be considered for exemption under MCL 211.7u each applicant must:

- A. Own and occupy the property as a principal residence, as defined by law, for which the request is being made. This may include vacant, contiguous property if it is considered part of the principal residence.
- B. Complete and submit an Application and Affirmation for MCL 211.7u Poverty Exemption on a form designated by the Department of Treasury and supplied by the City of Farmington Hills Assessors Office.
- C. Submit income verification as required. This must include current Federal and State Income Tax Returns, State Homestead Property Tax Credit forms, bank statements, or any additional information requested by the Board of Review. Including all documents requested on the "document checklist provided" as part of the packet.

**III. Processing Applications**

Once an Application and Affirmation for MCL 211.7u Poverty Exemption form is completed and returned to the Assessor's Office, it will be reviewed by the Assessing staff. The Assessing staff will complete and attach a Poverty/Hardship Worksheet to each appeal. The worksheet will summarize the application and provide the Board of Review with specific information, income of the applicant, an estimated tax amount for the property, the Property Tax credit for the property and the estimated net property tax liability to the homeowner.

After the above-mentioned information is compiled, the entire packet will be submitted to the Board of Review to be considered for tax relief. The Board of Review, in making their decision, may contact the applicant for any additional information they deem necessary. The Board of Review shall also reject any application where the information contained in it appears incomplete, misleading or fraudulent.
