Members of the public participating in the electronic meeting who wish to speak during the public hearing should use the “Raise Hand” feature in Zoom or if you dialed into the meeting use *9 on the telephone keypad to raise your hand; but only after the meeting host has called for comments. Participants will be called upon one at a time, as would happen during an in-person meeting. The meeting host will determine the order of participant speakers. The participant will be acknowledged by name, if available, or by the last 4 digits of the participant’s phone number. Participants representing themselves will have three (3) minutes and those representing a homeowners’ association will have five (5) minutes to share comments with the public body. At the conclusion of the participant’s comments or the allotted time, the participant will be muted or requested to mute themselves. Participants calling in should use *6 on a telephone keypad to mute and unmute themselves when called upon by the meeting host to do so.
