FARMINGTON HILLS, Mich. (Oct. 20, 2025) – The City of Farmington Hills is preparing for early in-person voting ahead of the Nov. 4 City General Election. Early voting runs **Saturday, Oct. 25 through Sunday, Nov. 2**.

"Early voting is becoming a popular way to cast a ballot in Farmington Hills," said Farmington Hills City Clerk Carly Lindahl. "It's similar to voting on Election Day, but it's more convenient because voters can choose a day and time that work for their schedules."

Registered voters will be able to vote early at two locations:

- Regional Early Voting Site #5 at the **Costick Activities Center**, located at 28600 W. Eleven Mile Road in Farmington Hills, or
- Oakland County Central Early Voting Site #19 at the **Waterford Oaks Activity Center**, located at 2800 Watkins Lake Road in Waterford.

Early voting is available for registered Farmington Hills voters for nine days prior to the election, starting two Saturdays before Election Day and ending the Sunday before Election Day. Early voting dates for the upcoming City General Election are **Saturday, Oct. 25 through Sunday, Nov. 2**. Sites will be open **8:30 a.m. to 4:30 p.m. every day except Thursday, Oct. 30, when the sites will be open 12 to 8 p.m.** Both voting sites will have the same hours of operation. Registered voters from the City of Farmington can also vote early at the Costick Activities Center.

Early voting is similar to voting on Election Day. During the early voting period, in-person voters are issued a ballot and can insert their ballot directly into a tabulator at their early voting site. Community members using absent voter ballots may also take their completed ballots to an early voting location to feed their ballot through a tabulator themselves.
